

6th July 2016

Dear Parent/Carer

Year 6 Sleepover

On Friday 8th July we will be holding the Year 6+ Sleepover and your child has been invited to come and take part. Children will need to be dropped off at School at 6pm, where we will participate in outside activities (weather permitting) before having a BBQ tea. If your child does not like BBQ food, please send them with a packed lunch as there will no alternative provided.

For the rest of the evening we will be taking part in different activities including a water fight (weather permitting). Below is a list of things your child will need to bring, one of which is a spare set of clothes in case they do get wet. They do not have to wear uniform, just clothes suitable for running around in. We will be conducting activities outside so a torch is essential for everyone to be able to see when it gets dark.

The children will be separated into boys and girls with boys sleeping in the hall and the girls sleeping in 2H. Adults will be sleeping in 2B allowing them clear sight of both rooms. Your child will need to bring a sleeping bag/duvet and a pillow. They will set up their bed space upon arrival before heading down to the BBQ.

Staff will have the school iPad for taking photos so there will be no need for your child to bring a camera. There are to be NO mobile phones brought to the sleepover and any found will be confiscated.

Invited children have shown a fantastic attitude to their learning this year and have been invited as a reward for this. Any poor behaviour on the night will result in parents being asked to collect their child. Staff are volunteering their time for this event and so want to have the best behaviour possible.

The Sleepover will finish on Saturday morning and children will need to be collected from 8am. All children MUST be collected by 9am. A breakfast will be provided. Children can only be collected by a parent or career; they WILL NOT be allowed to walk home alone.

Attached is the permission form – please state clearly who will be collecting your child and a contact telephone number along with any medical information that the adults will require.

We look forward to a very successful evening.

Miss Carter
Year 6 Teacher
