

Year 1

Summer Term

During the Summer Term, Year 1's over-arching topic will be 'Portsmouth Past and Present'. We will continue to learn stories and texts off by heart as part of our English Curriculum and we will be keeping going with our amazing phonics learning. We will be learning about the history of Portsmouth and we are hoping to visit the Historic Dockyard. We will continue to practice the skills we have already learnt throughout the year daily in class. We are looking forward to a very exciting term!
