

# Year N

## Summer Term 1

We hope you have all had a wonderful break. We have some wonderful learning opportunities which are all based around life cycles, recycling and our environment.

### Reading and Phonics

We will continue with our Little Wandle Foundations for phonics and rhyme time.

### Writing

In Summer 1 we will be giving meaning to marks in a variety of ways both indoors and outdoors and providing daily opportunity for this. Some of us will practise writing our name.

### Maths

For Summer 1, We will look at ways to explore capacity and measure. We will have opportunities to apply maths within our environment daily.

### Knowledge and Understanding of the World

Our main focus is life cycles. We will be doing some planting and observing changes over time. We will also explore life cycles of animals such as frogs.

### Physical Development

We will be learning to develop fine and gross motor skills to increase independence such as skipping, hopping, throwing a ball ready for Sports Day!

### Personal, Social and Emotional

We will continue to practise how to take turns and share. We will use a range of stories to support this.

### Expressive Art and Design

We will be taking part in action songs and showing an interest for enjoyment.

### Communication and Language

We will be learning to listen and respond to a simple instruction.

### Key dates:
