

Year N

Summer Term

This term we will be exploring the environment using our senses and talk about ways to care for our surroundings. We will talk about and explore different types of foods. Children will begin to understand how things grow and change over time.

Reading and Phonics

We will be using the Little Wandle foundations for phonics and rhyme time.

We enjoy listening to stories and retelling them.

Writing

We will be mark making and assigning meaning to our marks. Children will continue to practise writing their names.

Maths

We will be copying and continuing patterns. We will count and compare sets of objects. Children will begin to use vocabulary of 'more than' and 'fewer than'.

Knowledge and

Understanding of the World

We will be caring for plants and watching them grow. Children will be sorting fruits and vegetables.

Physical Development

Children will be throwing and catching balls, bean bags and ribbons. We will explore different ways to move our bodies.

Personal, Social and

Emotional

To feel part of our nursery community and show respect to each other. Following routines.

Expressive Art and

Design

We will be exploring printing using our fingers, cut fruits and natural materials.

Communication and

Language

Children will talk about familiar books and use an increasing range of vocabulary.
