

Sports Premium Spend 2017/18 – Total amount of Sports Premium Received - £19 510

<u>Area of Spend</u>	<u>Objective</u>	<u>Cost</u>	<u>Impact</u>
School Sports Partnership	<p>A service level agreement that provides:</p> <ul style="list-style-type: none"> • Quality professional development opportunities for staff • Network of support for our PE leaders • Specialist coaching across the academy • Access to sports tournaments and competitions for children across the academy to enter in a range of sports. 	£4700	<p>All staff develop their practice across a range areas of PE.</p> <p>Continual local support for our PE leaders.</p> <p>Opportunities for children to gain more experience in a range of sports and experience of competition and tournaments.</p> <p>Specialist coaches who share expertise for our staff to observe and the planning of the sessions.</p>
Weekly morning sports club	A club offered free of charge to children to engage them in a range of sporting activities to energise them before school.	£25 per session (Total cost - £800)	An improved level of engagement from children in physical activity before the start of their day.
Streetdance club after-school	A specialist streetdance teacher provided as an after-school club free of charge to children.	£25 per session (Total cost - £250)	Children have access to specialist coaching to pursue their interest in streetdance. This is expertise we do not currently have on the staff.

Cheerleading club after-school	A specialist cheerleading coach provided as an after-school club free of charge to children.	£25 per session (Total cost - £250)	Children have access to specialist coaching to pursue their interest in cheerleading. This is expertise we do not currently have on the staff.
Football club after-school for Yr 1 - 3	Two specialist coaches from Chelsea Football provided as an after-school club free of charge to children.	£70 per session (Total cost - £1960)	KS1 (and Yr 3) children have access to specialist coaching to pursue their interest in football. This is capacity we do not currently have on the staff.
Sports Resources	Based on an analysis of resources required within the academy more PE equipment was bought to support children across the academy.	£2687	Better PE equipment and a larger range of equipment available for children to increase participation and engagement in their PE lessons.
0.5 day release for PE Co-ordinator to plan PE lessons	To ensure the PE Coordinator has 2.5 hours per week to write PE plans for all year groups Year 1 to 6.	£64 per fortnight (Total cost £320)	Coherent PE plans, which the PE co-ordinator has trained the staff to use will mean teachers can teach better quality lessons and the children will build on their PE skills week on week and year and year. Summer Term Teaching and Learning review showed the impact of the planning in improved outcomes from the children in their PE lessons.
Rental of external screens	To communicate whole academy sports initiatives to an audience in the playgrounds.	£4428	Better communication with families about the sporting activities children engage with

	To encourage children to take part in activity and follow on-screen exercises during the break times.		during break times as well as extra-curricularly. Greater engagement in physical activity during breaktimes in KS1 and KS2.
Playground Markings	To increase physical games in the playground by painting playground markings. To support the whole school initiative of <i>The Daily Mile</i> provide a roadway for children to run around.	£2066	More children will be involved in physical games by using the markings to help structure some physical play for example racing on the race track. Provide a roadway for children to run on during their daily mile. Ten laps will make one mile in distance.
Scotability Training	To improve the safety of our KS1 children in travelling to school on their scooters. We responded to concerns from our parents and carers to ensure the children could go out into our community on their scooters safely.	£450	All children in KS1 were successfully trained in Scotability. This ensured that our children were encouraged to be active using their scooters in their spare time while travelling safely.
Quadruple Woodland Tower	To increase physical activity in the playground during break and lunchtimes.	The remainder of sports premium budget was assigned here - £1599 (The total cost of the play equipment was £25 899.90)	All KS2 children now have access to climbing equipment throughout the week. This increases their strength, balance and agility as well as increases their activity levels.
