Name of child: _____

School: The Flying Bull Academy

Occasionally, we may take photographs or produce videos for school or other Trust purposes that include our pupils. We may use these images as part of the education of your child. We may also use them in our marketing or in other printed publications that we produce, as well as on our website, on our social media. We are requesting your consent for us to use these images beyond the school.

From time to time, our school may be visited by the media who will take photographs or film footage of a visiting dignitary or other high profile event. Pupils will often appear in these images, which may appear in local or national newspapers, or on televised news programmes.

Please note that once images are uploaded, they will be subject to the terms and conditions of the social media site. Neither you nor the school will have control over how those images are further used, amended or reproduced, either by the site or by the public. Please note that websites can be viewed throughout the world and not just in the United Kingdom where UK European law applies.

To comply with the General Data Protection Regulation of 2018, we need your permission before we can photograph or make any recordings of your child for promotional purposes. Please answer questions 1 to 5 below, then sign and date the form where shown.

The information you provide (address, contact numbers) will be securely stored and processed within the European Economic Area (EEA) and not be used for any other purpose than confirming your permission to use the material.

Please return the completed form to the school as a matter of urgency as this is a legal requirement.

Conditions of use

1. This form is valid for seven years from the date you sign it, or for the period of time your child attends this school. The consent will automatically expire after this time.
2. We will not re-use any photographs or recordings after your child leaves this school.
3. We will not use the personal details or full names (which means first name and surname) of any child or adult in a photographic image on video, on our website, in our school prospectus or in any of our other printed publications without good reason. For example, we may include the full name of a pupil in a newsletter to parents if the pupil has won an award.
4. If we name a pupil in the text, we will not use a photograph of that child to accompany the article without good reason. (See point 3 above.)
5. We will not include personal e-mail or postal addresses, or telephone or fax numbers on video, on our website, in our school prospectus or in other printed publications.
6. We may include pictures of pupils and teachers that have been drawn by the pupils.
7. We may use group or class photographs or footage with very general labels, such as 'a science lesson' or 'making Christmas decorations'.
8. We will only use images of pupils who are suitably dressed, to reduce the risk of such images being used inappropriately.
9. Your consent can be withdrawn at any time in writing.
10. Images and videos will only be stored within the EEA in order to conform to the GDPR of 2018.
11. If we wish to retain any images or video for the schools historical archives, we will seek written permission from a child's parents with full and transparent reasons to support the request.
12. After a cohort leaves the school we will archive students work for a period of one year. This will be stored securely and hidden from open view on the school network. Parents can request evidence of a child's work for up to one year after that child's cohort has left the school by submitting a Subject Access Request (SAR) via the school office. After the archive year has passed students data will be completely removed from the school network and become unrecoverable.

Please note that the press have some exemptions from data protection legislation and may want to include the names and personal details of children and adults in the media.

I have read and understood the conditions of use and give my consent for my child's image/s & videos to be used as described above.
